

*Twenty-Ninth meeting of the IAOA Executive Council (EC)  
Virtual Meeting of 28 Sept 2010*

Attendees:

- Nicola Guarino (chair)
- John Bateman
- Michael Gruninger
- Leo Obrst
- Peter Yim

The EC continued discussion on the following matters ...

\* Promoting the IAOA outreach and image. In particular, we will be distributing fliers at IAOA supported events and other relevant events. We will look to members' help with this too, at events which they are organizing or attending.

\* Broadening the Advisory Board (AB) continuously (even after the AB is first established.)

\* Plans for the first IAOA Summer School (summer of 2011.)

\* Our position on Ontology Registry and Repository related efforts.

\* The process and ByLaws governing Committees, SIGs, and International outreach

Interested members are encouraged to join the Education Committee and its various subcommittees. The [iaoa-education] mailing list is now up, where those who want to be involved should subscribe to (ref. announcement and details on the [iaoa-member] mailing list.)
